**A message from Jean Newham: Please continue to save your milk bottle tops!** So far £3,600 pounds has been raised for The Air Ambulance Appeal. The lady who collects the tops has spent around four hours most days sorting them. They then go to the factory where they are cut into small pieces, washed and melted down. The melted plastic is then remoulded into such things as dog and cat feeding bowls.

Well done everyone and thank you!

**Please note** there are lots of updates from our Mission Partners. If you would like to read them please see the notice board in the Church Lounge.

**On the 27<sup>th</sup> February until the 1<sup>st</sup> March** our Church Leaders will be attending the New Wine leaders conference in Harrogate. Please pray that they will be open to God's leading as they spend time in His presence.
