

# KIDS Resources

## Sunday 27th September

Dear Parents and Carers, please help your child/children to access whatever is useful for them in this resource.

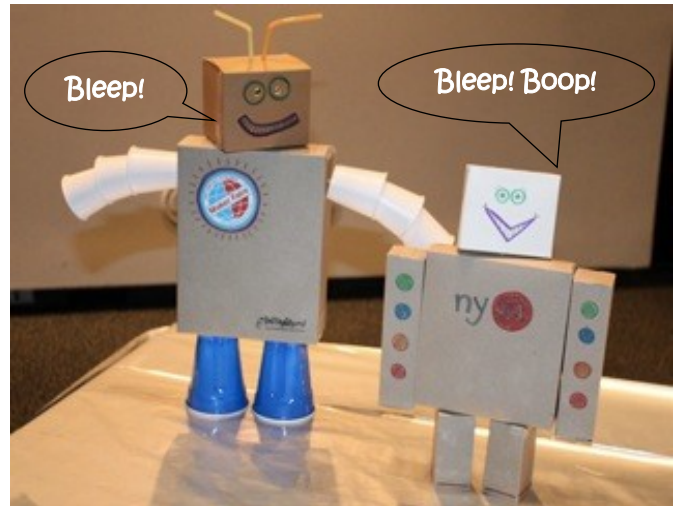

### Look in the Bible - Genesis 12:1-9

God told Abraham to leave his home and go to another country. That's a big ask! Abraham chose to do what God said. He trusted God.

## Get Creative

Make a robot.  
What will you use?  
Boxes, lego, a drawing - you choose.  
Have fun!

Your robot can only do what you made it to do. Robots are like that they can't choose but we can choose.

## Talk about

for the family to share

Talk about the differences between robots and people

The Bible says we are made in the image of God. What do you think that means?

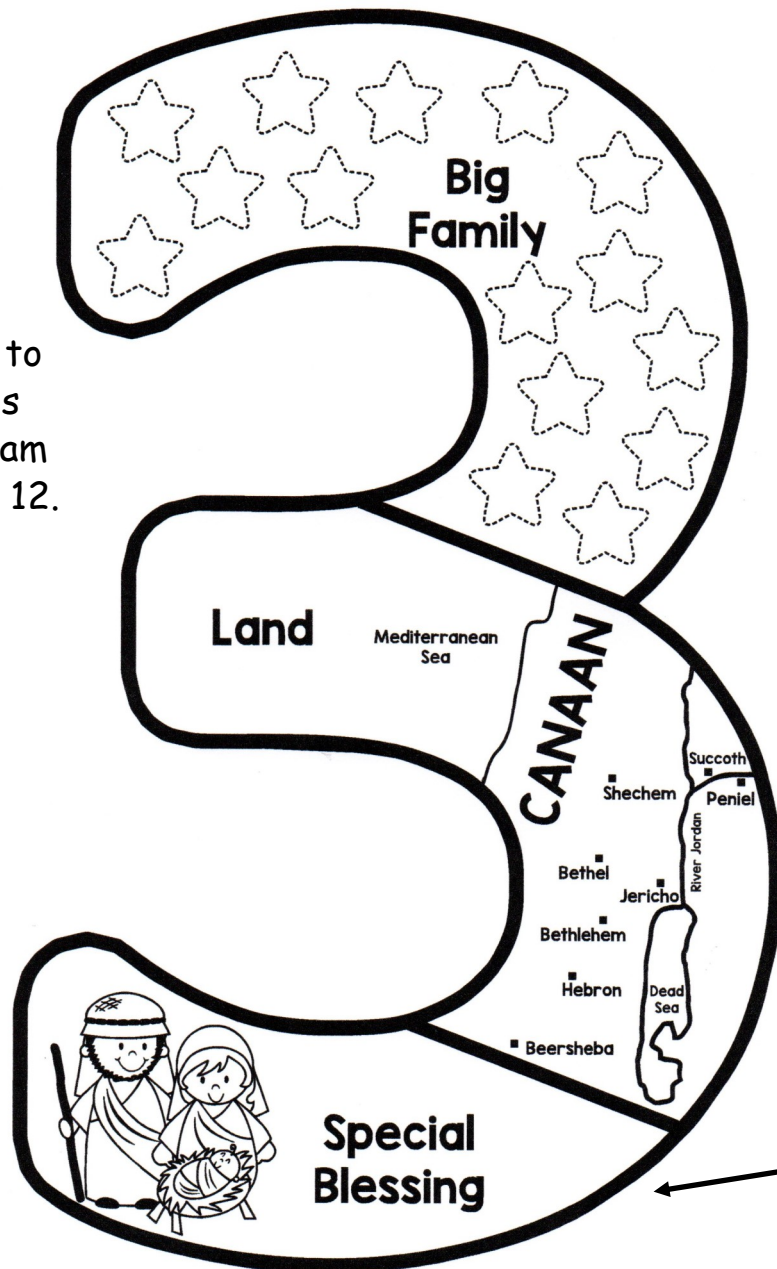

We're specially designed by God! What makes you special?

We can talk to God. What will you choose to say to him today.

# God's Promises to Abraham

## To Do

Colour the picture to remind you of God's promises to Abraham in Genesis chapter 12.

God kept his 3rd promise through the coming of Jesus.

**Think!** about choices

God chose Abraham.

Abraham chose to trust and obey God.

God chooses us to tell others about Jesus.

# God Keeps His Promises!
