Thought for the Day: Rev Lis Ward

Today we are celebrating a BIG birthday... 175 years since the first service was held in the Holy Trinity building. Trinity Sunday is an appropriate start for our days of celebration. A church is not just a building, and 175 years ago the Trinity family also began, growing as the Word of God and the Holy Spirit touched hearts and lives and people decided to follow Jesus. The Philippian church, like Trinity, started with a small gathering and grew from there. Paul reminds them to rejoice in the things God is doing, to remember God is always with them, to request God's involvement in all things, to reinforce themselves with the peace of God and to think and do things that are righteous. These are good pointers for us all to put into practice as we give thanks for the past, celebrate the present and look forward to what God will do in the future.
