### Opening Prayer

Merciful God, teach us to be faithful in change and uncertainty, that trusting in your word and obeying your will we may enter the unending joy of Jesus Christ our Lord. Amen.

### Today's Reading

Galatians 5:26 - 6:18

### Verse of the week: Galatians 6:9

Let us not become weary of doing good, for at the proper time we will reap a harvest if we do not give up.

### Thought for the Day: Ian Paul

Paul finishes his letter to the Galatians by reminding them that all they need is Jesus. Their identity should not come from what others are doing, or from doing what others think they should do, but from who they are in Christ. Paul says that only the Gospel can truly liberate and motivate unselfish relationships. This reminds us that our responsibility is to serve God with what he has given us, rather than looking at others and how they are doing. Paul's summary in the last few verses, encourages the Galatians to live to please the Spirit rather than the sinful nature. The Gospel is enough for us too - all we need for loving, secure and joyful relationships with God and others. We can be encouraged to keep going, doing good to please God and truly loving others. Then we will not grow weary and will see a harvest in our lives and the lives of others.
